About WAO

The World Allergy Organization (WAO) is an international alliance of 92 regional and national allergy, asthma and clinical immunology societies. Through collaboration with the Member Societies, WAO provides a wide range of educational and outreach programs, symposia and lectureships to allergists/immunologists around the globe and conducts initiatives relating to clinical practice, service provision, and physician training in order to better understand and address the challenges facing allergists/immunologists worldwide.

Mission

WAO’s mission is to be a global resource and advocate in the field of allergy, asthma and clinical immunology, advancing excellence in clinical care through education, research and training as a worldwide alliance of allergy, asthma and clinical immunology societies.

Invitation to Participate

Dear Colleagues,

On behalf of the World Allergy Organization (WAO) Board of Directors, it is our great pleasure to invite you to participate in the WAO Symposium on Immunotherapy and Biologics from 13-14 December 2013 in Chicago, IL, United States. WAO warmly invites you to join us in this global scientific meeting.

The purpose of this two day meeting, focusing on Immunotherapy and Biologics, is to bring basic and translational scientists, clinical immunologists, allergists and researchers together to expand this exciting field. Attendance will be limited, making it the ideal setting for discussion and learning.

The scientific program will consist of lectures from the top international experts in the field as well as free communications that will be presented during the Poster Sessions. Our aim is to summarize what is scientifically known, learn about the cutting-edge research and to reach a consensus about the unmet needs of Immunotherapy and Biologics.

For more information and regular updates on the WAO Symposium, please visit our website: www.worldallergy.org/symposium2013

We look forwarding to seeing you in Chicago!

Sincerely,

Ruby Pawankar

WAO Symposium Information

The WAO Symposium will be attended by delegates from all over the world. Delegates will be specialists, general practitioners, researchers and other allied health professionals interested in Immunology and Biologics.

Educational Objectives

- To provide insights into what is already known about Immunotherapy and Biologics
- To highlight the most recent advances and cutting-edge research in the field
- To provide a forum for discussion and learning for those in attendance
- To identify unmet needs and areas of research priorities

Key Reasons to Participate

- Hear the late-breaking and cutting edge science presented during the scientific sessions
- Participate in scientific discussions
- Attend state-of-the-art lectures by world experts in the field
- Gain invaluable visibility for your own research by submitting an abstract
- Network with other colleagues in the field

Venue

The WAO Symposium on Immunotherapy and Biologics will be held at the Westin Michigan Avenue – Chicago.

The Westin Michigan Avenue – Chicago
909 North Michigan Ave.
Chicago, IL, United States

Scientific Program Information

Session Types

Plenary Sessions
Plenary Sessions will set the stage with context and background through overviews and literature reviews to define unmet needs.

Biologics Track Sessions
Biologics Track Sessions will address more specific topics within the field of Biologics, providing the opportunity for in-depth and detailed exploration. Discussion among participants will be encouraged.

Immunotherapy Track Sessions
Immunotherapy Track Sessions will address more specific topics within the field of Immunotherapy, providing the opportunity for in-depth and detailed exploration. Discussion among participants will be encouraged.

Poster Sessions
Accepted abstracts will be presented during thematic Poster Sessions. Presenting Authors will stand with their posters, answer questions and discuss their research.

Abstract Submission

Abstract Submission Deadline: 23 August 2013
The World Allergy Organization invites you to submit an abstract for consideration in the Scientific Program.

Accepted abstracts will be presented in thematic Poster Sessions on 13 and 14 December.

Online Submission is now open!
Please visit www.worldallergy.org/symposium2013 to view full submission guidelines and to submit an abstract.

Abstracts will only be accepted in the following categories:
Biologics – Mechanisms
Biologics – Therapeutics
Clinical Immunology
Immunotherapy – Clinical
Immunotherapy – Mechanisms
Miscellaneous

It is the Author’s responsibility to submit a correctly edited and accurate abstract. Any errors in spelling, grammar or scientific fact will be reproduced as typed by the author. Abstracts will be rejected if they contain no data or if the English is unacceptable. All Presenting Authors will receive detailed presentation guidelines when their abstract has been accepted.

Notification of Acceptance
Notification of acceptance/rejection will be emailed by 15 September 2013. The Presenting Author will receive all correspondence regarding the abstract status, presentation type, date and time, via the email that is provided in the abstract submission.

Publication of Abstracts
Accepted Presenting Authors will have their abstract published in a supplement to the WAO Journal.

Registration and Payment
The Presenting Author must register for the Symposium and pay the fee before 30 September 2013. Abstracts will be automatically withdrawn if the Presenting Author is not registered.

The Presenting Author of an accepted abstract is allowed to register with the Early Registration Fee until 30 September 2013. Registration refunds will be given to Presenting Authors of abstracts that are not accepted.

Travel
Abstract Presenters are responsible for arranging and paying for their own registration, travel and hotel arrangements. Accommodation can be reserved at www.worldallergy.org/symposium2013

08:00 – 10:00  Plenary Session 1

NOVEL INSIGHTS IN THE BIOLOGY OF ALLERGIC RESPONSES IN IMMUNOTHERAPY

08:00 - 08:05  Welcoming Remarks
08:05 - 08:30  Personalized Medicine in Allergy and Asthma | Elliot Israel (United States)
08:30 - 08:55  Biologic Basis of the Allergic Response | Bruce S. Bochner (United States)
08:55 - 09:20  Overview of Allergen Immunotherapy and Tolerance | Cezmi Akdis (Switzerland)
09:20 - 09:45  New Treatments for Allergen Immunotherapy | Mübeccel Akdis (Switzerland)
09:45 - 10:00  Discussion

10:00 - 10:30  Coffee Break

10:30 – 12:00  Biologics Track 1

OVERVIEW AND NEWER USES OF ANTI-IGE

10:30 - 10:35  Welcoming Remarks
10:35 - 10:55  The Role of IgE-Receptors in Airway Inflammation and Remodelling | Ruby Pawankar (Japan)
10:55 - 11:15  New Strategies with Anti-IgE in Allergic Diseases | Stephen T. Holgate (United Kingdom)
11:15 - 11:35  Oral Immunotherapy and Anti-IgE Antibody-Adjunctive Treatment for Food Allergy | Dale Umetsu (United States)
11:35 - 11:55  Anti-IgE in Chronic Urticaria | Sarbjit Saini (United States)
11:55 - 12:00  Discussion

10:30 – 12:00  Immunotherapy Track 1

OVERVIEW OF IMMUNOTHERAPY

10:30 - 10:35  Welcoming Remarks
10:35 - 10:55  Historical Perspective and Current Standards in Immunotherapy: Challenges and Unmet Needs | Richard F. Lockey (United States)
10:55 - 11:15  Subcutaneous Immunotherapy: Perspectives of Treatment Practices in the United States and Europe | Oliver Pfärr (Germany)
11:15 - 11:35  Speaking the Same Language: Grading System for Subcutaneous Immunotherapy Systemic Reaction | Linda Cox (United States)
11:35 - 11:55  Risk of Anaphylaxis and its Management in Immunotherapy | Phil Lieberman (United States)
11:55 - 12:00  Discussion

12:00 - 13:30  Poster Session 1

13:30 – 15:00  Biologics Track 2

NEW DIRECTIONS IN IMMUNOTHERAPY

13:30 - 13:35  Welcoming Remarks
13:35 - 13:55  Identification of Therapeutic Epitopes from Allergens | Alessandro Sette (United States)
13:55 - 14:15  Specific Immunoregulatory Epitopes in the Treatment of Allergic Disease | Mark Larché (Canada)
14:15 - 14:35  New Routes for Allergen Immunotherapy | Thomas Kündig (Switzerland)

Welcome Reception

Delegates who do not wish to attend the Welcome Reception will benefit from a reduced registration fee.

Cancellation and Refund Policy
Please send cancellations to WAO@showcare.com. Refunds will be processed according to the following schedule:

By 31 July 2013: Full refund less $80 USD administrative charge
1 August – 31 October 2013: 50% refund
After 31 October 2013: No refund

Group Registration
If you are a group leader of 3 or more individuals, you may register as a group. Please visit the Symposium website at: www.worldallergy.org/symposium2013 for further instruction and group policies.

Substitution Policy
No substitutions are allowed for individual registrations. Within groups, however, you will be able to substitute until 1 November. After this date, you will be charged an $80 USD administrative charge per substitution and/or name change.

Accommodations

WAO is pleased to offer a discounted rate at the Westin Michigan Avenue – the venue for the Symposium.

Hotel Reservation
Deadline: 20 November 2013

The Westin Michigan Avenue – Chicago Hotel, located on Chicago’s famed Magnificent Mile, is steps from Lake Michigan, Michigan Avenue restaurants and premier Michigan Avenue shopping. It is also within walking distance to the midwest’s most popular tourist and leisure destinations, Navy Pier. Get immersed in the unique culture of Chicago and let The Westin Michigan Avenue transcend your next visit to the Windy City.

About Chicago

Chicago is blessed with both demographic and geographic diversity, and an abundance of cultural assets. These assets are not only defined as museums, theaters, dance companies, architecture, history, music, festivals and neighborhoods; but also dining, shopping, and nightlife. All making Chicago a truly unique cultural destination.

Situated squarely in the center of the United States, Chicago is easy to travel to from virtually everywhere. Thanks to thousands of flights options at two international airports, six class-one railroads, a vast network of major highways and a wide variety of airlines, it is one of the most cost-competitive and convenient cities for domestic and international travel.

Airports

O’Hare International Airport, located 17 miles from downtown Chicago, is one of the largest airports in the world. It is North America’s major international gateway airport, servicing over 67 million passengers to and from over 200 destinations around the globe.

Midway International Airport is located 10 miles from downtown Chicago and offers another convenient travel option for visitors. It is the nation’s premier point-to-point airport, offering value-oriented leisure and business travel to over 60 destinations.

Visit flychicago.com for details on amenities, flight status, terminal maps and more for both O’Hare and Midway airports.

Both airports offer plentiful taxi service to downtown and the suburbs. Rates range from $40-50 from O’Hare, and $30-40 from Midway. Rates vary based on travel time and are subject to change.

In addition to taxi service, Chicago offers the “L” (train) Service directly from both O’Hare and Midway airports to downtown Chicago. For more information on Chicago public transportation, visit transitchicago.com.
