Organizational Interests: ACAAI - Member immunotherapy committee; ARIA - Country coordinator ARIA Mexico, CMICA - Chair immunotherapy committee, EAACI - member Task Force on Adverse Events reporting; WAO - member special committee on immunotherapy

Conflict Resolution: I do not accept major financial support, generally it is only speakers fee or limited financial support to attend a meeting. I have relationships with several entities only to improve the practice of allergy in general and immunotherapy specifically. I do not accept to give talks to promote directly one brand, but more to promote how to diagnose and treat different allergic diseases in the right way. As my relationship has been with several, they balance against one another.
