Poster Sessions

Poster Mounting and Presentation Time
Poster presentation times have been emailed to the Abstract Presenter. If you have not yet received your presentation time and date, please notify us at symposium@worldallergy.org immediately.

All authors are responsible for mounting and removing their own posters. Mounting material will be provided by Symposium Staff.

Your poster should be mounted, displayed the morning of Sunday, 6 December from 9:00am – 10:00am in Ivanka Trump Ballroom B in the Trump National Doral Hotel.

All posters and poster-mounting material should be removed by 3:30pm. The Symposium Organizer will remove all Posters not taken down on time. The Symposium Organizer will not take any responsibility for Posters or other materials left in the Poster area.

Poster Measurements
Poster Boards are **4ft long by 8ft wide**. Please make sure your Poster is created to fit within these guidelines. It is suggested you create your Poster in Landscape format.

Text Layout
Give a short and comprehensive review of the basic items of your study. This can be done by dividing your text into several clearly delineated paragraphs including:

- Introduction
- Case Reports/materials/methods
- Explanation of Figures, graphs, photos
- Results
- Conclusions
- Major References

Illustration Layout
Drawings, diagrams and photos are extremely helpful and often necessary to display results and conclusions. Make sure your illustrations are easy to understand – do not overload any chart or drawing with information.

Conflict of Interest
A disclosure of conflict of interest* must be included on the poster. It should be placed either on the top or the bottom of the poster and state:

In relation to this presentation, I declare the following, real perceived conflicts of interest:
(Description of conflict of interest)

OR
In relation to this presentation, I declare that there are no conflicts of interest.

*A conflict of interest is any situation in which a presenter or immediate family member have interest, which may cause a conflict with the current presentation. Conflicts of interest do not preclude the delivery of the presentation, but should be explicitly declared. These may include financial interests (e.g. owning stocks of a related company, having received honoraria, consultancy fees), research interest (research supported by grants or otherwise) organizational interests of gifts.

**Trade Names**
Please note that the same rules apply for Posters as for Abstracts with regards to trade (brand) names and company names. Any place on the abstract and poster should not include the brand names (the trade name used for commercial purposes). Non-proprietary (generic, chemical) names of drugs should be used. Company names can be used in the authors’ affiliation and as a source to a material mentioned in the body of the poster, such as “Imiquimod (3M, Milwaukee, USA) was used to stimulate dendritic cells”.

As company logos are legally the same as the name of the company, they can be used in any place where the company name can be written.

**Poster printing service**
The FedEx Office Print & Ship Center is the local printer in the Trump National Doral Hotel. Please contact usa5680@fedex.com for more information on printing prices and pick up times.
