WAO Symposium on Food Allergy and the Microbiome

About WAO

The World Allergy Organization (WAO) is an international alliance of 95 regional and national allergy, asthma and clinical immunology societies. Through collaboration with the Member Societies, WAO provides a wide range of educational and outreach programs, symposia and lectureships to allergists/immunologists around the globe and conducts initiatives relating to clinical practice, service provision, and physician training in order to better understand and address the challenges facing allergists/immunologists worldwide.

Mission

WAO’s mission is to be a global resource and advocate in the field of allergy, asthma and clinical immunology, advancing excellence in clinical care through education, research and training as a worldwide alliance of allergy, asthma and clinical immunology societies.

Inquires – symposium@worldallergy.org
Invitation to Participate

Dear Colleagues,

On behalf of the World Allergy Organization (WAO) Board of Directors, it is our great pleasure to invite you to participate in the WAO Symposium on Food Allergy and the Microbiome from 5-6 December 2015 in Miami, FL, United States. WAO warmly invites you to join us in this global scientific meeting.

The purpose of this two day meeting, focusing on Food Allergy and the Microbiome, is to bring basic and translational scientists, clinical immunologists, allergists and researchers together to expand this exciting field. Attendance will be limited, making it the ideal setting for discussion and learning.

The scientific program will consist of lectures from the top international experts in the field as well as free communications that will be presented during the Poster Sessions. Our aim is to summarize what is scientifically known, learn about the cutting-edge research and to reach a consensus about the unmet needs of Food Allergy and the Microbiome.

For more information and regular updates on the WAO Symposium, please visit our website:
www.worldallergy.org/symposium2015

We look forwarding to seeing you in Miami, FL, United States!

Sincerely,

Lanny J. Rosenwasser
Symposium Chair
President, WAO

Mario Sánchez Borges
Symposium Chair
President-Elect, WAO
The WAO Symposium will be attended by delegates from all over the world. Delegates will be specialists, general practitioners, researchers, and other allied health professionals interested in food allergy and the microbiome.

**Key Reasons to Participate**

- Discover late-breaking and cutting-edge science which will be presented during the scientific sessions
- Participate in scientific discussions
- Attend state-of-the-art lectures by world experts in the fields
- Gain invaluable visibility for your own research by submitting an abstract
- Network with other colleagues in the field

**Educational Objectives**

- To provide insights into what is already known about Food Allergy and the Microbiome
- To highlight the most recent advances and cutting-edge research in the fields
- To provide a forum for discussion and learning for those in attendance
- To identify unmet needs and areas of research priorities

**Important Dates and Deadlines**

**Venue and Accommodation**

The WAO Symposium on Food Allergy and the Microbiome will be held at the Trump National Doral – Miami.

Trump National Doral – Miami  
4400 N.W. 87th Avenue  
Miami, FL, United States  
www.trumphotelcollection.com/miami/

**Scientific Program Information**

**Plenary Sessions**

Plenary presentations will set the stage with context and background through overviews and literature reviews to define unmet needs.

**Food Allergy Track Sessions**

Food Allergy Track Sessions will address more specific topics within the field of food allergy, providing the opportunity for in-depth and detailed exploration. Discussion among participants will be encouraged.

**Microbiome Track Sessions**

Microbiome Track Sessions will address more specific topics within the microbiome, providing the opportunity for in-depth and detailed exploration. Discussion among participants will be encouraged.

**Poster Sessions**

Accepted abstracts will be presented during thematic Poster Sessions. Presenting authors will stand with their posters, answer questions and discuss their research.

## 5 December 2015

### 8:00am – 10:00am Plenary Session 1: The Microbiome

**Chairperson:** Lanny Rosenwasser (United States)

- **The Microbiome: Implications for Developmental Biology |** Susan Prescott (Australia)
- **Respiratory Microbiome |** Christine Joseph (United States)

### 10:30am – 12:00pm Food Allergy Track 1: Current Concepts in Food Allergy: What Do We Know?

**Chairpersons:** Mübeccel Akdis (Switzerland), Motohiro Ebisawa (Japan)

- **Immunological Mechanisms and Recognition in Food Allergy |** TBC
- **Clinical Classification |** Wesley Burks (United States)
- **Epidemiology |** Scott Sicherer (United States)

### 10:30am – 12:00pm Microbiome Track 1: Technology of the Microbiome

**Chairperson:** Augusto Litonjua (United States),

- **Next Steps of Microbiome Analysis |** Yvonne Huang (United States)
- **Overview of Technology of the Microbiome |** Cathryn Nagler (United States)
- **Informatics: Analysis of Big Data |** John Tsang (United States)

### 1:30pm – 3:00pm Food Allergy Track 2: Molecular Mechanisms of Food Allergy

**Chairperson:** Mimi Tang (Australia)

- **Oral Immunotherapy |** Wesley Burks (United States)
- **Component Resolved Diagnosis |** Motohiro Ebisawa (Japan)
- **Food Allergen to Carbohydrates |** Thomas Platts-Mills (United States)

### 1:30pm – 3:00pm Microbiome Track 2: Description of the Microbiome: Evolution and Life Course

**Chairpersons:** Luis Caraballo (Colombia), Roy Gerth Van Wijk (Netherlands)

- **The Microbiome and Early Life Immunity |** Harald Renz (Germany)
- **Establishment of the Infant Gut-Microbiome |** Christina West (Sweden)
- **Implications and Drivers of Early Microbiome Profiles in Developing versus the Developed World Settings |** Michael Levin (South Africa)

### 3:30pm – 5:00pm Food Allergy Track 3: Prevention of Food Allergy

**Chairperson:** Elham Hossny (Egypt)

- **Guidelines for Allergic Disease Prevention (GLAD-P |** Alessandro Fiocchi (Vatican City)
- **Management of Food Allergic Children |** Dana Wallace (United States)
- **Food Allergen Labeling Worldwide |** TBC

### 3:30pm – 5:00pm Microbiome Track 3: Mechanisms of Host and Microbiome Interaction: Implications in Health and Disease

**Chairperson:** Ignacio J. Ansotequi (Spain)

- **Pre- and Postnatal Microbial Exposure and Allergy Development |** Harald Renz (Germany)
- **Pro-Inflammatory Disruptions of the Microbiome in Chronic Disease: Cause or Effect? |** Alan Laney (United States)
- **Modulating Effects of Other Environmental Factors on the Microbiome: Vitamin D, Diet and Environmental Pollutants |** Augusto Litonjua (United States)
### Preliminary Scientific Program

**Sunday, 6 December 2015**

Registration payments will be charged in US Dollars (USD).

Fellow-in-Training/Student/Allied Health

Credentials are verified by the WAO Secretariat for a reduced registration rate. Acceptable verification can either be a letter on department letterhead confirming status or a copy of a valid University identification card.

Group Registration

If you have inquiries about group registration please email Symposium@worldallergy.org

WAO Symposium Registration Includes:

- Admission to all Scientific Sessions
- Admission to Poster Hall
- Certificate of Attendance
- Coffee Breaks
- Lunch
- Welcome Reception*

*Delegates who do not wish to attend the Welcome Reception will benefit from a reduced registration fee.

Payment

Registration payment can be made by credit card (Visa, MasterCard, American Express or Discover). All payments will be charged in USD.

Online Registration

All registrations must be made using the online system. If you have any technical difficulties with the online registration system please contact customer service by email WAO@showcare.com or by phone +1 514 380-5380.

On-Site Registration

On-site Registration will begin 04 October 2015 at Trump National Doral Miami.

Cancellation Policy

Please send cancellations by email to WAO@showcare.com or by fax at +1 514 289-9844. If you do not receive an acknowledgment within two weeks of submitting your cancellation notice, please contact the Registration Office to verify receipt.

Cancellations will be processed according to the following schedule:

- By 31 July 2015: Full refund less $85 USD administrative charge
- 01 August – 30 September 2015: 50% refund
- After 01 October 2015: No refund

Substitution Policy

No substitutions are allowed. Individuals will have to cancel the original registration and the new person will have to create a new registration. Within groups, however, you will be able to substitute at any time up until the regular registration deadline (30 September 2015). After this date, you will be charged an $85 USD administrative charge per substitution/name change.
Acconmodations

WAO is pleased to offer a discounted rate at the Trump National Doral, the venue for the Symposium.
www.trumphotelcollection.com/miami

Hotel Reservation Deadline: 02 November 2015

Rates (USD)

<table>
<thead>
<tr>
<th>Room Type</th>

</tr>
</thead>
<tbody>
<tr>
<td>Deluxe King/Double</td>
<td>$215 + 13% tax</td>
</tr>
</tbody>
</table>

Room rate includes guest room high speed wireless internet access.

Breakfast is not included in the room rate.

Check-In and Check-Out:
Check-in: 4:00 pm
Check-out: 11:00 am

Reservations
Please make reservations by visiting the Symposium website at: www.worldallergy.org/symposium2015

You may also contact the hotel directly at 1 800 713-6725 (US Toll Free) or at +1 305 592-2000 and mention that you are attending the WAO Symposium.

Cancellation Policy
- Guest room cancellation policy is 5 days prior to 4:00 pm local time day of arrival. Cancellations made within the cancellation period will be assessed a charge of one night plus applicable taxes.
- In the event a guest who has reserved a room checks-out prior to the guest’s reserved departure date, an early departure fee equivalent to one night’s room and tax, will be charged to the guest.

Change of Booking Policy
For any changes needed to an existing reservation please contact the hotel directly.
About Miami

Miami attracts visitors looking for warm weather, inviting water, soft sand beaches, and nightlife. But beyond just the beach, Miami manages to be impressive for a variety of travelers. Miami is known for its welcoming atmosphere and famous nightlife. Outdoor enthusiasts can golf, snorkel, and boat their way through Miami; and for the adventurous, there's the nearby Everglades national Park and Biscayne national park. Architecture buffs surround themselves with outstanding examples of the Art Deco style, and for shoppers, there's a wide variety of boutiques, outdoor shopping promenades, and outlet malls.

For more information on Miami, please visit: www.miamiandbeaches.com

Airports

The Miami International Airport serves as the primary international airport of the Greater Miami Area. One of the busiest international airports in the world, Miami International Airport caters to over 35 million passengers a year. Miami International is the United States' second-largest international port of entry for foreign air passengers and is the seventh-largest such gateway in the world. The airport's extensive international route network includes non-stop flights to over seventy international cities in North and South America, Europe, Asia and the Middle East.

Visit www.miami-airport.com for details on parking, amenities, flight status, terminal maps and more for Miami International Airport.

Miami International offers plentiful taxi services to downtown Miami. Rates range from $20-$25 from Miami International Airport. Rates vary based on travel time and are subject to change.
All Active Members of dues-paying Member Societies are Individual Members of the World Allergy Organization (WAO).
